

J.D.S.G. COLLEGE NCC OBSERVATION OF WORLD ENVIRONMENTAL DAY

J.D.S.G College NCC Unit celebrated World Environment Day on 5th June, 2023 at the College Campus. A total of 30 Cadets were participated the programme. To generate awareness and to educate public about the impact of plastic pollution along the water bodies, the NCC cadets of college have enthusiastically participated and perform two types of activities, one is tree plantation and second is Essay competition on the topics of Bad effects of plastics and Plastic free India a step towards better world. The activities like poster -slogan presentation and Essay writing were conducted in order to instill a sense to prevention of plastic pollution and to clean the plastic waste and their harmful impact in society along the water bodies in cadets a part from honing their idea and imagination. The cadets have actively participated in Day celebration and drafting beautiful poster and written essay and shown effective thoughts. Lt. Mintu Tokbi has motivated the cadets about to display intense commitment, sincere love about participation on event. Finally the program was concluded by singing national anthem and NCC song.
