3. Lecture Series Programme :-

An online lecture Series on the "**Mantel health of students on contemporary Senario : motivation and its necessity**" was organised by the department from 3rd July to 7th August 2021 the event comprised of five lectures delivered by eminent personalities 'Dr. Arun Borah' Head of Department of Assamese, Mr. Rituparna Das, transmission executive officer " All India Radio" Guwahati, Dr Pranjal Buragohani Assistant Professor Department of Education, Dibrugarh University, "Mr. Dipak Sarmah" Motivational speaker and Advocate Guwahati High Court, and Mr. Shankab Koushik Boruah, Senior News Editor Dainik Janambhumi, President Jorhat Press Club. In there valuable speeches they talk about harbouring a positive outlook towards life which would enable them to face every challenges of life. The lecture series proved to be significant benefit at a time when the prolonged lockdown has affected the mantel health of students. In the present competitive educational atmosphere, considering the extent of students' suicidal cases around the world, the findings of the seminar suggest that the students need to be strong not only in physical heath, also in mental health. They should have the relax mind, be avoided of hard and fast targets and have a comprisable mind. Life should be weighted at higher position than any other goal tried to achieve in life. They should not concentrate only on the educational goals; be dynamic in mobilizing themselves to other recreational as well as social activities. The parents should corporate them positively in their academic and personal life, and should motivate them towards maintaining a smooth human life rather than routine and mechanical life.
