A talk on the topic *Changing Role of Higher Educational Institutions and Teachers' Responsibility* was organized by the IQAC of JDSG College, Bokakhat on 4<sup>th</sup> February 2025 at the video Conference Hall where Prof. Alak Kumar Buragohain delivered his lecture as Resource Person. Dr. Jayanta Gogoi, principal of the college delivered his welcome address where all the faculty members of the college attended. The programme was anchored by Dr. Chiranjib Dahal, Assistant Professor, IQAC. Dr. Buragohain highlighted the main issues and challenges of higher educational institutions in Assam and the changing role of teachers in this regard. He advised the teachers to be engaged in societal development beyond the classroom teaching learning. He Stressed that the higher educational institutions should take the responsibility of social and economic development as well. He also stated that besides teaching, *teachers should* engage in research on burning issues related to their disciplines. He advised the young teachers to encourage the students to participate in peer teaching. He also encouraged the teachers to adopt some innovative methods of teaching such as flipped classroom, experiential learning etc. The lecture was followed by a interaction session. The Programme concluded with vote of thanks by IQAC, Coordinator, Dr. Jayanta Das.
