

Action Taken Report on Students' Feedback 2023-24

The various departments of the college collected feedback from their students on various parameters and the analytical reports were presented before the principal in the presence of the Heads of the Departments. After a thorough discussion, the following decisions were taken:

1. The college would focus more on experiential learning. There would be weekly presentation/group discussion/quiz etc.
2. The number of guest lectures and seminars would be increased.
3. Remedial classes for the slow learners would be conducted from the next session.
4. More internship opportunities would be provided for the students of Commerce department.
