

**REPORT ON THE VISIT OF PROF. TAIICHI HAYASHI AND PROF.  
FUMIE MURATA TO JDSG COLLEGE, BOKAKHAT ON 8<sup>TH</sup> MARCH,  
2025**

Prof. Taiichi Hayashi, Former Professor of Kyoto University, Japan and Dr. Fumie Murata, Associate Professor, Kochi University, Japan, visited the College on 8<sup>th</sup> March, 2025.

They are on a government of Japan grant to study climate change. They have installed rain gauge meters in a number of colleges/locations across Assam and Meghalaya. JDSG College has been a part of these scholars' studies since 2010-11.

Dr. Jayanta Gogoi, Principal, JDSG College, Bokakhat, welcomed the scholars accompanied by two Masters' students from Gauhati University- Ms Bhagyashree Bhuyan and Ms Akashi Tara Topno.

Mrs. Deepali Rajkumari, Vice Principal and Dr. Jayanta Das, Coordinator, IQAC of the college, among others, felicitated them.

The Japanese scholars had an interaction with the students of the college. They apprised the students about the objectives of their ongoing project.

Dr. Jayanta Gogoi, Principal of the College thanked them, wished them on the occasion of the International Women's Day and hoped that JDSG College will continue to support them in their ongoing project on Climate Change.
