IIC, JDSG College, Bokakhat on 8th March, 2024 in association with Women's Cell and IQAC celebrated International Women's Day with a lecture session.

This lecture session was conducted to enlighten the students with the theme of this year's International Women's Day, i.e. invest in women, accelerate progress.

Objective:

- To increase awareness among students and participants about the importance of the day.
- To educate participants about the importance of developing career and be independent.
- To aware students about the ill-effects of marrying early and the consequences.

Outcomes:

1. Students will be acquired with the knowledge of empowerment of women, their career opportunities and to improve confidence amongst them.
2. Students will have a deeper understanding of the concepts of international women's day, including their importance and relevance of empowering and investing in women in today's environment.

Activity Details:

On March 8th, 2024, a highly informative and inspiring lecture session on the occasion of International Women's Day was held at Video Conference room, JDSG College in which Dr. Rubi Borah was the key speaker. In the lecture, students were enlightened about the significance of women's day, the history of the event, its emerging significance in today's world, and what are the role of women in current time.

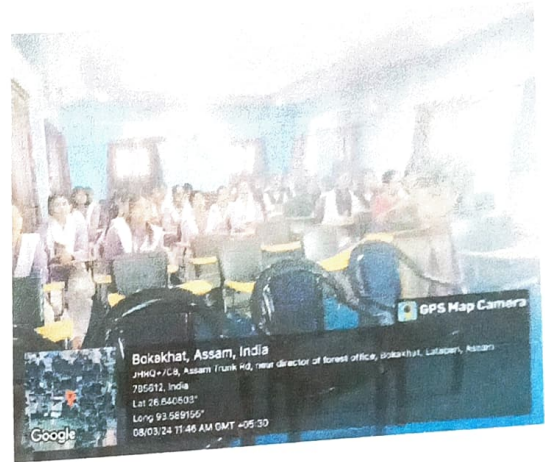

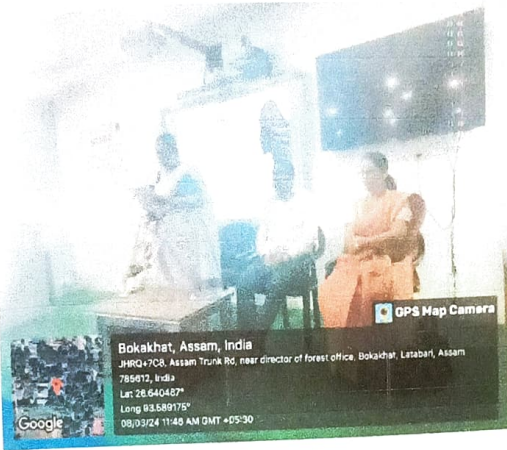

The session also included interactive session where students asked their questions and seek clarifications on the concept. This session facilitated direct engagement between students and the expert, ensuring that all doubts and queries were addressed.

The session proved to be an important event for the students to learn about the role of women in present day through developing their career and also the session aware the students regarding the ill-effects of marrying early and the consequences of such type of marriage.

On this auspicious day, IIC, JDSG College also organized an essay writing competition, where the topics given was Women's Role in India's Freedom Movement and the other one was Women's Contribution to Scientific discovery. In this essay competition, 15 students have taken part and submitted their essays.
