

## Report on: Inauguration of Outdoor Library

Date: 22<sup>nd</sup> January, 2025

Learning environments with a greater number of plants, greener views, have proven to have a positive impact on mental health, reducing stress and anxiety in young learners. Outdoor libraries have shown to have a great impact on pupil engagement and improve social, emotional and communication skills as well as boost confidence. The initiative was inaugurated by Dr. Jayanta Gogoi, Principal of the college along with Susmita Bordoloi, Librarian of the college. The aim of inaugurating outdoor libraries is to extend the library space from the inside of a building to outdoors. The concept of outdoor library promotes motivation for learning outside the conventional classroom. Students are encouraged to develop the habit of reading newspapers and magazines.
