Best Practices of Department

- a) Plantation programmes organized by History Association in every year
- b) Rural Museum
- c) Skill Based Tourism Projects and Field Studies
- d) Interaction Programmes
- e) *Swachhata* programmes
- f) Freshman Social and Farewell Ceremony
- g) Regular Parent-Teacher Meet

RURAL MUSEUM

The Museum of History department was first inaugurated on 28th July 2001 by Director of Higher Education, Guwahati, Dr. Hiri Kumar Sahu. The Museum was first setup in a corner of the same room of the department.

The NAAC peer team (First visit in the year 2003) highly satisfied with the concept of a Museum of History department and they advised the college authority to develop the museum in an extra room.

As a result in the year 2012 the new Museum came into force and named as Rural Museum.

SWOC ANALYSIS

Strengths of the Department:-

1. Increasing trend in the enrollment in Major as well as Core Courses.
2. Experienced and dedicated faculty members
3. Rural Museum of the department encourage the students towards the subject
4. Faculty Exchange Programmes
5. Skill Based Tourism Course- Most of the students of this college belong to the rural background, the projects aim to make them self reliant after graduation.

Weakness of the Department

1. Socio-Economic Background-Flood affected areas-drop out
2. Vernacular medium background in HS Level

Opportunity-

1. Through Skill Based Tourism Course the students can acquire the necessary knowledge to develop a career in tourism sector as the World Heritage Site, Kaziranga National Park is situated just near by the college .
2. It is a great opportunity for coming generation to develop their career in this field and the college as well as the department is one of the best platform for them.
3. Through the study of History they can get jobs of teachers in schools, colleges and universities, librarians, archivists, curators of museums, secretaries of institutions, social service workers, political journalists, foreign and military correspondence etc.

Future Plans:-

1. To organize National and International seminar in coming years.
2. To introduce Post Graduate course in History in near future
3. To publish Anuxanga-ISSN –peer reviewed journal jointly with Assamese department every year
4. Important Tourist Places of Golaghat District for which already initiative has been taken by organizing field trips with students of Skill Based Tourism Course
