B. Assignment:

Date of Submission: -17/10/2025

Question: **Write 5 long type questions, 5 short type questions from your respective topic and write their answer.**

Eg. If your topic is "Investment Avenues". Then

Possible questions are

1. How do traditional investment avenues such as fixed deposits, government bonds, and public provident funds compare with modern options like mutual funds, exchange-traded funds (ETFs), and cryptocurrencies in terms of risk, return, liquidity, and suitability for different categories of investors?
