

Documentary *Boond: A Drop of Water* screened on World Food Day at JDSG College, Bokakhat

Date: 16th October 2023

Attendance: 60 students

A documentary film **Boond: A Drop of Water**, was screened among the students of JDSG College, Bokakhat, to mark the celebration of World Food Day on 16th October 2023. The documentary highlights the increasing scarcity of potable water sources in the wake of climate change impacting thousands of lives. It also emphasises on the importance of adopting sustainable water conservation methods to address the present plight. The screening was held at the Video Conference Hall. Following the screening, there was a brief review/ open discussion in which the audience shared their ideas and opinions about sustainable growth and water conservation in their own locality and the Campus. Three faculty members, Mr. Sasanka Dhaval Saikia, Mr. Parswa Jyoti Neog & Mr. Akash Jyoti Sarmah respectively arranged the screening and moderated the open discussion.
