J.D.S.G. COLLEGE, Bokakhat, Assam

Report on feedback from students

Curricula and syllabi (Add on course): Student satisfaction with the syllabus and curriculum of the college course is generally influenced by its relevance, clarity, and alignment with career goals. Key factors include the course's practical applicability, depth of subject matter, and the inclusion of up-to-date content. Majority of the students revealed about their satisfaction regarding the syllabus of add on course designed in the J.D.S.G. College.

Students expressed their satisfaction with the comprehensive coverage of the syllabus. They appreciated the inclusion of all essential topics, which contributed to a thorough understanding of the subject.

Students expressed their satisfaction with the delivery of the course by faculty members in the class. They appreciated the clarity, engagement, and interactive teaching methods used by the instructors.

Majority of the students appreciated the use of ICT in the classroom and expressed that use of ICT (audio-visual content) has enhanced their understanding about the subject.

Students expressed satisfaction with the fairness of evaluation through sessional exams and assignments. They appreciated the transparent assessment process and the alignment of evaluations with the syllabus.

Students expressed their satisfaction with out-of-classroom learning through field and industry visits. They valued the practical exposure, real-world insights, and hands-on experience provided to them. Such experiential learning enhanced their understanding of theoretical concepts and better prepared them for professional challenges. Remedial session, tutorial session, learning through participation and role play was also part of the curriculum, which has enhanced the understanding of the theories and concepts of students.
