# Department of Commerce
# Internship Report of B.Com 4th Semester Students (Session 2025)

## Introduction

The Department of Commerce, J.D.S.G. College, Bokakhat, organized an internship programme for the B.Com 5th Semester students as a part of their academic curriculum. The internship aimed to provide practical exposure to various business and commercial practices. The students were placed in different sectors to gain first-hand experience and develop their professional skills. The programme was designed to bridge the gap between theoretical learning and its real-world application. It also sought to inculcate among students a sense of professional responsibility, discipline, and teamwork essential for their future careers.

## Details of the Internship Programme

The internship programme was conducted during the month of July for a total duration of 120 hours. Students were placed in different organizations and business institutions across various domains such as Hospitality Management, Banking, Administrative department, Horticulture, Professional and Financial Services. The programme was conducted under the mentorship and guidance of the faculty members from the Department of Commerce as well as the officials from the respective department.
