REPORT ON LIBRARY ORIENTATION PROGRAMME, 2026

DATE: 11/08/2026

VENUE: AUDITORIUM

Library orientation is an introductory programme organized by a library to familiarize new students, teachers, or other users with the library's resources, services, facilities, rules, and methods of using information effectively. It is particularly useful for newly admitted students because they may not be familiar with the library system of their new institution.

For FYUGP 1st Semester students, library orientation helps them understand how the library can support their undergraduate studies from the beginning of their academic journey.

An orientation programme was organized by IQAC, J.D.S.G. College on 11th August,2026 for the students of FYUGP 1st semester to acquaint them with the infrastructure , services, rules, and regulations of the library. The Library Orientation Programme was led by Mrs. Susmita Bordoloi, Librarian of J.D.S.G. College. At the programme the students were encouraged to join the J.D.S.G. College Reader's Club for getting updated information about the library activities and to participate in the same.

The orientation programme provides a foundation for effective use of library resources throughout their undergraduate studies. By participating in the programme, students can understand the available facilities and make maximum use of them for their academic, intellectual, and personal development.
